wpm

SOFT SKILLS

Self motivated individual who
is not afraid to ask questions.
Team Work
Problem Solving
Customer Service
Attention to Detail

A Full-Stack Web Developer. Endlessly determined to gain new knowledge, surpass expectations of myself, and deliver both excellent & timely projects. Through my coding journey, I have prided myself on creating apps that feel engaging and easily manageable by a user.

Portfolio & Projects

My Portfolio

<http://dahliagravesportfolio.herokuapp.com/>

FotoFoto Photo Library

<https://fotofotolibrary.herokuapp.com/>

<https://github.com/DahliaGRV/FOTOFOTO>

A photo editing site that allows a user to upload images, edit images and display their images in a unique photo library. Utilizes node.js, express.js, UI Kit, npm packages, and JavaScript.

Battle Trail Game

<http://battle-trail.herokuapp.com/>

<https://github.com/JaHa675/project-3>

A fun & exciting 2D RPG that is heavily inspired by 2000s pixelated games. It uses technologies like React, JavaScript, and Phaser Game Engine to bring this quirky, sprite dominated game to life.

EXPERIENCE
